### Congratulations

Thank you for purchasing your car from CarZone. We appreciate the opportunity to take care of your motoring requirements.

It is important to us, as a local business, that we respect the community's motoring needs by ensuring that all our customers drive away confident that they will experience hassle free motoring in their CarZone vehicle.

I personally select and source all of the motor vehicles we offer for sale. We also engage the services of the AA to appraise our vehicles so you can have complete confidence that our vehicles have been independently approved. For that reason I have the confidence to back-up our product with this genuine **2 Year Bumper to Bumper CarCare Warranty**. No ifs. No buts. No small print.

This value-added product, which is exclusive to CarZone, includes the cover of many items not often found in other vehicle warranties. Together with our service centre, Autotech Whangaparaoa, we are totally committed to problem free motoring for our customers, and providing a level of products and services second to none.

Thanks again – Mark.
